GOVERNING CONDITIONS, RULES AND REGULATIONS concluded

APPLICATION OF TARIFF	ITEM 140.00
Rates named in this circular apply on lumber or forest products as defined in herein. In Section 1 contains point to point rates which apply only for movements on the ICE and Section 2 contains distance rates which apply only for movements on the DME.	
ALTERING OF COMMODITY AND CLASS RATES	ITEM 150.00
Rates named in this circular which are specific point to point rates in Section 1 or distance rates in Section 2 will NOT alternate with class or exception rates published in ICE 2000-Series Classifications Exception & Class Rate Tariff.	
STOPPING TO COMPLETE LOADING OR PARTIAL UNLOADING	ITEM 165.00
Shipments made under the prices in this circular will NOT be accorded stopping in transit privileges for completion of loading or for partial unloading.	
RETURNED REFUSED OR REJECTED SHIPMENTS	ITEM 170.00
When a given shipment has reached destination but is refused or rejected and not unloaded and is returned to the original shipping point (for reasons other than carrier error) the return movement will be subject to the rate and minimum weight in the reverse direction in effect on the date shipment is tendered for return or to the rate normally applicable for such return movement if lower. In no case however will charges for the return shipment exceed charges which would be applicable on the return movement without reference to this rule. Note: Routing for the return movement will be applicable only via the reverse of the route over which the original shipment moved except in the case of emergency routing order. Exception: The returned refused or rejected shipment rule will NOT apply on: 1. Commodities where a rejected shipment rule is published specifically to apply on such commodities. 2. In connection with shipments subject to multiple car rates, if less than the originally shipped numbers of cars are rejected, the applicable single car rate will apply on the rejected, returned carload(s) of freight.

ROUTING PROVISIONS

ROUTING – GENERAL SECTION 1, 2

Routes are shown in individual rate items. The routing shown is in one direction only. When traffic is moving in the opposite direction routing shall apply in the reverse.

ROUTING – EMERGENCY

Except as otherwise provided, the rates named in this circular will apply only via the routes and junction points authorized herein, except that when in the case of a pronounced traffic congestion (not an embargo), washout, wreck or other similar emergency, or through carriers' error, carriers forward shipments via other junction points of the same carriers or via the lines of other carriers parties to the circular, the rate to apply will be that specified in this circular.
